## TO WHOMSOEVER IT MAY CONCERN

This is to certify that we have been using the Chemito High Pressure Catalytic Reactor system in our laboratory since April 2003.

It is working satisfactorily and the after sale service which is being provided by Chemito Technologies Pvt. Ltd is excellent.

We have been using this instrument for a number of syntheses.

A handwritten signature in black ink, appearing to read 'G. D. Yadav', written in a cursive style.
