## Amit Shah launches e-buses for Jammu

Union home minister Amit Shah launches 100 electric buses equipped with Chemito Intelligent Transport System (ITS) technology for Jammu.

Union Home Minister Amit Shah launches electric buses through a video conference from New Delhi.

Union Home Minister Amit Shah on Thursday (January 25) launched 100 electric buses equipped with Chemito Intelligent Transport System (ITS) in Jammu through a video conference from New Delhi. He said that the e-bus service will provide a comfortable, economical and eco-friendly public transport facility for the people of Jammu.

Chemito has installed ITS kits in electric buses. Bus activities can be visualized & route operations could be traced by CCC (Control Command Centre) under one roof with advanced features in Chemito ITS like Remote Live Streaming, GPS, Bus Scheduling, Next Stop Announcement, panic alert etc.
