CM Himanta Sarma Flags Off 200 E-Buses

Assam, India - The Chief Minister of Assam, Mr. Himanta Biswa Sarma, unveiled a fleet of 200 environmentally-friendly buses equipped with the state-of-the-art Chemito Intelligent Transport System (ITS) on Monday (January 01). This technological feat marks a significant step towards promoting sustainable and smart transportation in the state.

The Chemito's ITS is a cutting-edge solution that leverages advanced technologies such as Artificial Intelligence (AI) and Internet of Things (IoT) to provide real-time information, intelligent scheduling, and precise control of the bus fleet. This smart system ensures improved route optimization, and increased efficiency in managing the buses performance.
